

COURSE TITLE: **Sharper Coding for Trauma with ICD-10-CM & ICD-10-PCS**

COURSE OBJECTIVES: To provide ICD-10-CM/PCS specific training with an emphasis on trauma (injury) scenarios. This course will mainly be attended by Trauma Data Managers, Registrars, Trauma Program Managers, Trauma Performance Improvement Coordinator's, Nurse Practitioner's responsible for collecting/reporting trauma information within their hospital, region, state and the National Trauma Data Bank.

COURSE STRUCTURE: This will be facilitated by a tenured Trauma Data Manager (with almost 30 years experience) and taught by AHIMA approved ICD-10-CM/PCS Trainer's. Depending on the number of participants will determine the number of approved trainer's per class. At minimum, there will be 1 AHIMA ICD-10-CM/PCS Trainer per course.

METHOD OF INSTRUCTION: PowerPoint© Slides, Handouts, Practice Scenarios with trauma emphasis (ICD-10-CM/PCS Books will be available through advanced paid registration at a significant discount)
